How to make content writing your full-time career Bhavik Sarkhedi, 2021-08-07

Content writing is one of the trending career options chosen by youngsters nowadays. Not only in this fast world but content writing has been a very interesting and known career option for a long time. Content writing is the process of writing in various fields like writing blogs and articles, scripts for videos, or content for a specific platform. There are many options. People follow their passion for writing and get into professional writing for ages. Still, the struggles were prevalent then and now when this profession is considered by many people around as more like a hobby, it gets more prone to floating pieces of advice from everyone here and there. To make sure your career in content writing blooms, one needs to keep certain things in mind. Being a founder of Estorytellers Taletel Kalam Kagaz, I write right different verticals of content writing services. There is one thing I have learned: Be a passionate storyteller. Content writers create written content or writing material for a website according to the guidelines, specifically. To become a writer, it is required to keep learning and polishing your art to keep the passion alive. One of the best ways is exploring this field of content writing. Alike many other jobs and careers, options there are numerous aspirants in the writing field of numerous opportunities as well.

Current Scenario

The current scenario in this field of content writing is pretty impressive, which many people are unaware of. Today almost all organizations want a team of content writers to write for them and make their brands visible in the market. An aspiring writer can apply to work under huge names or can start freelancing, which is a great option for establishing yourself in this market of opportunities. Since there is always a need for content writers, the professionals from this profession must polish themselves and stand out with their work. Writing content is a lot about understanding the client and their needs, so at times working out of the comfort zone or niche results beneficial. Because similar to the number of opportunities, the demands of every different client are different. One thing which is the same is that every client every organization wants the content created in a way that the information shared makes them stand out and shine in the crowd of their competitors. This is going to continue as the market will always be hustling. The financial status for content writing jobs is great. As a fresher, one can earn ranging from fifteen thousand INR to twenty thousand INR per month, and it grows gradually in particular intervals. Even in freelancing, the salary turns out to be a good amount; the amount can be ranging up to fifty thousand INR. These are estimated and average amounts, but the money earned can vary from company to company and writer to writer.
