The skills you learn in this ebook will enable you to build all kinds of online businesses and open the door for all kinds of entrepreneurial projects you may have. Generating an online passive income won't happen overnight and takes a lot of hard work, but going through the process is completely worth it, and having an exact plan of action is the ONLY way to ensure success. Let me put it this way: if you were offered no pay for six months for 40 hours of work per week, but after those six months you got 5,000 per month for the rest of your life, would that be worth it to you? If that idea isn't unbelievably exciting to you, then this isn't the business for you. This isn't a get-rich-quick scheme. This is a business. Except with this business, instead of trading your time for money like most jobs, you are investing your time. You work hard now and continue to reap the benefits indefinitely. Building an online business takes a lot of work and a lot of patience, but the rewards can be amazing. That's the kind of business that I teach you in this ebook. Here's what you will learn: 1. The Truth Behind the Internet and making money online 2. The only ways you can truly make money online 3. Blogging: What is blogging? 4. Affiliate Marketing: What is Affiliate Marketing? 5.
