Starr, 2010-10-15 Sometimes your first love is the one that was meant to be Craig Harper and Jeremy Finn were best friends growing up They attended the same school

spent all of their time together and hung out with the same group of people It wasn't until the day before Jeremy and his family moved across the country that they discovered their attraction to one another Fifteen years later they reunite by chance in New York City Both are in relationships and have established a routine in their lives But routines and relationships are shaken as they begin to spend time together once again Old feelings and connections are still strong and the passion that pulls them together is a powerful soul searing call neither man can deny As each deals with the issues in their own relationships they begin to question whether the comfort of what they know is more powerful than the pull of what they could have been and what they might become Struggling to find the answer only their hearts can reveal if they are meant for each other
