Innovation in the Anthropological Perspective Julia C. Gluesing, Christine Miller, Helga Wild, 2024-07-31 Innovation is a constant in human life and organization arising from within a context based culture of social structures and beliefs This book re examines the processes practices and mechanisms of innovation from an anthropological perspective offering a theory of innovation as a dynamic multidimensional system It uses methods and stories across a broad arc of time place social and cultural context and subject matter The chapters explore the intersection of virtual local and global dynamics and deepen our understanding of aspects and dimensions of innovation that challenge common perceptions

particularly in business and organizational environments The approach aims to situate innovation in an integrated view of human and non human ecologies and to create common ground for a new form of research and practice *The Truth about Transformation* Kevin Novak,2023-07-22 Any organization that seeks transformation desires to take advantage of new opportunities and growth Most organizations turn to technology as the major driver of change But technology is an enabler not a silver bullet Mistaking technology for transformation will lead an organization to failure True transformative change requires an understanding of the human factors at play how conscious and subconscious behaviors can derail any plan and how society is influencing your organization Change is the only constant An evolving reality is emerging one that will fundamentally change who we are how we work and how organizations will be relevant today and in the future The truth about transformation is not what you may think This guide to organizational transformation will surprise confound provoke and challenge every ingrained belief The future is out there and the truth about transformation will change how you lead

Flexible Lives Stefanie Reissner,Michal Izak,2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue

THE NOMADIC IMAGE Michael Garbutt,Soheil Ashrafi,2024-10-04 The papers in this volume were originally presented at The Nomadic Image the seventh edition of the Transdisciplinary Imaging Conference series held at the University of Central Asia s Naryn campus The theme of nomadism was well suited to the conference location in Kyrgyzstan a Central Asian republic where equestrian nomadism remains a powerful culture signifier According to Deleuze and Guattari the nomad pursues pure lines of flight across smooth continually shifting spaces that stand in opposition to the striated enclosed world of the settled state We invite the reader to explore the pure lines of intellectual flight pursued by the scholars and creative practitioners whose diverse and provocative papers appear in this volume offering stimulating contrasts and unexpected connections *Digital Nomads* Geoffrey Zachary,2024-09-16 In a rapidly evolving world where the lines
