Your 24/7 Online Job Search Guide Lamont Wood,2002-10-15 Getting a job is a race to the finish line So why walk when you can run You might think that only techies and geeks look for jobs online and that only high tech companies list their openings on Web sites But you d be wrong In the

information age going online is often the quickest easiest and cheapest way to find what you're looking for and that holds true for job hunters too. In fact if you aren't online you're missing out on thousands of opportunities in almost every field. And you don't have to be a computer genius. All you need is access to the Internet and a little bit of guidance. Using the Internet and this book you can get your name and resume in front of more people in an hour than you can in a week using conventional methods. Your 24/7 Online Job Search Guide is designed for those who don't have much computer experience. Fast, easy and informative, this book gives you the knowledge you need to get online and get a job. Topics include: An introduction to the Internet and the job search resources you can find online; Assessing your goals and getting started; Protecting yourself from identity theft and other frauds; Building your online resume; Using e-mail, Usenet, mailing lists and newsgroups; The best job search sites and industry specific sites on the Web; Technical terms you might need to know; Using corporate information sites to investigate a particular company; Doing in-person interviews.

Work at Home Now Christine Durst, Michael Haaren, 2009-11-01 Many legitimate home based jobs and projects can be found online but trustworthy guidance is scarce. Worse with a 56 to 1 scam ratio in work at home ads the terrain is a minefield of fraud. Nevertheless customer service agents, researchers, test scorers, tutors, writers and concierges are just a few of the many people regularly hired to work from home. A growing number of Fortune 500 companies including UnitedHealth Group, American Express and Northrop Grumman also hire home based personnel. In *Work at Home Now* you'll learn the top insider tips on good and bad Google search terms, how to find the needles in the haystack on Craigslist, Indeed, Monster, CareerBuilder and other big sites. Where the real jobs for mystery shoppers, transcriptionists and similar part-time specialties can be found. Scam spotting tips that even law enforcement doesn't know. Including interviews with hiring managers and successful.

The Online Income: Guide to Finding Works from Home Fernando Rakyta, 2021-08 Millions have currently gotten a taste of working from home during the pandemic. One of the considerable benefits of working from home is having access to a broader range of job opportunities that aren't limited by geographic location. If you like online jobs this book will guide how to work at home effectively. You'll be using skills to create a blueprint of financial freedom and find an online job you want. Besides you'll be equipped with the knowledge to help you differentiate between legitimate positions and jobs that are scam likely. Accompanied by a list of 200 companies that are actively hiring work at home jobs.
