50 Business Ideas to Start With Little Or No Money Powered by AI Tom Berty, 2025-10-26. What if I told you that starting your own business no longer depends on having a fat bank account? That the biggest barrier to your entrepreneurial dreams isn't money, it's knowing where to start? Enter the AI revolution. With free AI tools at your fingertips, you can brainstorm, create, market, and even automate a business almost entirely on your own. This book isn't just theory; it's a hands-on guide to turning your ideas into real businesses fast. Inside, you'll discover 50 actionable business ideas you can start with little or no money, all powered by free AI. From service gigs to creative projects, digital products, local businesses, and side hustles with serious growth potential, this book walks you step by step through building your business, testing it, and scaling it all while letting AI handle the heavy lifting. You'll meet your new AI business partner, tools like ChatGPT, Google Gemini, Canva, CapCut, and more, and learn how to set up your AI toolbox to brainstorm, plan, write, design, and market like a pro, even if you've never done it before. You'll discover how to test ideas quickly, validate demand without spending a dime, and start small while thinking smart. Want to launch a service business this week? You'll learn how to sell skills you already have, even if you think you don't have any. From AI-assisted virtual assistants to social media managers, blog writers, resume optimizers, and small business automation consultants, every idea comes with demo prompts you can use right now. Feeling creative? AI can help you design logos, generate print-on-demand art, create videos, e-book covers, and more, all in record time. Learn how to set up content-driven businesses like YouTube channels, faceless TikTok accounts, newsletters, and podcasts, then monetize them using AI for research, scripts, SEO, and more. Digital products? Check. Local businesses? Covered. Side hustles that can grow into full-scale operations? Absolutely. You'll also learn how to name, brand, price, and launch your business, build websites, automate daily tasks, and market on a zero-dollar budget with AI-powered growth hacks. When it's time to scale, AI helps you hire, delegate, track analytics, and design growth plans so you can move from hustle to brand. This book is more than a list of ideas; it's a blueprint, a prompt library, and a step-by-step guide rolled into one. Every chapter includes hands-on demos and AI prompts.

you can use immediately to make progress By the time you finish you won't just have ideas you'll have a fully AI powered roadmap for building your business and growing it to the next level Whether you're looking for a side hustle a digital venture or your next full time business this book shows you how to start test and scale without excuses About the Author My name is Meir Liraz though you'll find this book under my pen name Tom Berty I write the AI for Entrepreneurs series combining decades of real world experience with today's smartest tools For over 30 years I've built businesses guided entrepreneurs and explored nearly every corner of the small business world Along the way I've learned what works what doesn't and how to help others succeed faster My goal is simple to make entrepreneurship clearer smarter and more accessible for everyday folks As far as entrepreneurship goes I've been there done that and now I'm here to share what really works
