**Learning for Uncertainty** G. Williamson McDiarmid, Yong Zhao, 2022-01-31 Learning for Uncertainty explores technology's role in education specifically unpacking the question How should educators prepare today's children for a world that has yet to be made As technology evolves faster than our capacity to fully understand the social cultural economic and moral implications of many innovations today's educators are tasked with the unique role of preparing students to capitalize on technology's opportunities and also mitigate its dangers to their society to democratic processes and to institutions Veteran educators McDiarmid and Zhao explore the implications of emerging technologies for future jobs organizations students and learning covering topics such as The future of work and workers as technology eliminates some industries while creating new ones Potential futures both bright and dark awaiting students The qualities dispositions social behaviors and skills that are likely to advantage students in the future The possibility of technology to revolutionize education in ways that will better position students for an uncertain future How technology can free teachers from time and effort devoted to routine matters to instead assuming roles that are potentially more satisfying and supportive of their students learning Learning opportunities and educator roles that have the potential to bring about needed changes Capitalizing on these uncertain times to rethink curriculum pedagogy opportunities to learn and the organization of school as well as the roles of students educators parents and policymakers This latest book in the Routledge Leading Change series is ideal reading for educators and policymakers in both P 12 and higher education interested in ensuring our education systems provide the experiences and learning opportunities necessary to cultivate the innovative iconoclastic and generative thinkers and creators needed for a future that nourishes the minds bodies and spirits of all [The Routledge Companion to the Future of Management Research](#) David Crowther, Shahla Seifi, 2023-09-14 The management of organisations continues to evolve as new priorities emerge and new approaches are developed Thus it is clear that research into business and management will also continue to evolve This will be in terms of both what is researched and in terms of the techniques and methods used to conduct research Such development will continue into the future and this book highlights evolving areas It also suggests new topics which are emerging and new techniques to conduct such research topics and techniques that will be of benefit to researchers The unique focus on the future of research methods in management the emergence of topics in contemporary management and sustainability research and practices such as sustainability and circular economy will set this volume apart With coverage of new and emerging subjects in management studies such as sustainability zero carbon green market and circular economy and the international collaboration with contributors from all around the globe this major interdisciplinary reference volume will be of interest and great value to researchers academics and advanced students in the fields of business and management research and appropriate methodologies **Comeback Careers** Mika Brzezinski, 2020-01-14 STRONG WISER BETTER An Essential Guide for Reentering Reinventing or Rebooting Your Career at Any Age So many women hit

their 40s or 50s and realize it's time for a career change. Maybe you're yearning to try something new or you're sensing that layoffs are coming and you need a backup plan. Perhaps you paused or downsized your career to raise children and you're ready to rejoin the workforce. How do you reboot, relaunch, return to, or reinvent a career at age 40 Or 50 Or 60 And how can you create a career and life that will provide you with purpose and financial security for years to come. In *Comeback Careers*, New York Times bestselling author and co-host of MSNBC's Morning Joe, Mika Brzezinski and her sister-in-law, Ginny Brzezinski, have teamed up to show you that career reinvention is possible at any age. You have the skills, experience, and maturity; it's time to own them. For this book, Mika and Ginny interviewed dozens of career changers working in a variety of fields, from finance to academics to the arts. They share successful relaunchers' secrets to overcoming obstacles, both internal and external, and their step-by-step processes and candid advice. They also reveal key strategies from top job coaches, resume writers, and LinkedIn experts tailored to the special challenges of mid-career jobseekers. It's time to rewrite the narrative. You are stronger, wiser, and better at the midpoint, and *Comeback Careers* is a roadmap to your career reinvention and fulfillment.

*The Burnout Generation* Eli Sandford, 2025-06-27. Breaking free from the cycle of exhaustion and expectations. Feeling drained by the nonstop pressure to hustle. You're not alone. This generation's relentless grind has led to a widespread burnout epidemic quietly reshaping how millennials and Gen Z approach work, success, and well-being. But what if the very mantra of "hustle harder" is part of the problem? *The Burnout Generation: Why Millennials and Gen Z Are Done with the Hustle* dives deep into the mental and cultural forces that fuel exhaustion. Through vivid insights and exploring the roots of hustle culture, this book reveals how social media, economic uncertainty, and unrealistic expectations have created a perfect storm of anxiety and stress. It unpacks why so many are turning toward quiet quitting and redefining what fulfillment truly means. More than just diagnosing the problem, this compelling read offers practical strategies for reclaiming balance. From mindfulness and boundary setting to financial wellness and creative resistance, it guides readers toward sustainable ways to thrive, not just survive. You'll discover how personal purpose, community support, and institutional change play essential roles in breaking free from burnout's grip. Whether you're exhausted by endless to-do lists or questioning the true cost of success, this book gives voice to a generation ready to rewrite the rules. It's a call to pause, reflect, and take meaningful steps toward a healthier, more authentic life. Step into a new narrative where well-being leads the way and the hustle takes a backseat. **HowExpert**
