Short Selling Amit Kumar, 2015-12-08 When an investor believes a stock is overvalued and will soon drop in price he might decide to short it. First he borrows an amount of the stock and then sells it. He waits for the stock to tank before buying back the same amount of shares at a deflated price. After returning the shares to his lender he pockets the difference unless any one of several hard to predict variables interferes and the stock fails to drop. Since these variables are so hard to predict short selling is difficult for even seasoned investors. It takes great talent and experience to isolate the best short ideas for falling stocks skills Amit Kumar developed and honed over decades of market analysis and trading. This

book shares his short selling framework built on themes common to falling stocks and the market's endemic strengths and cycles Featuring key case studies and exclusive interviews with successful fund managers Bill Ackman Pershing Square Capital Management and Mark Roberts Off Wall Street Consulting Group Kumar shows investors how to avoid traps and profit from well researched short ideas Investors may not always act on short ideas but they can avoid losses by using Kumar's framework to identify overvalued stocks Professionals and amateur investors alike will benefit from this fundamental research approach which transforms short selling into a long term strategy **Easy Book Self-Publishing** Nikolay Gul, 2025-04-11 Publish smarter faster and cheaper without the guesswork Easy Book Self Publishing A Step by Step Guide With AI Assistance gives you everything you need to publish your book like a pro across Amazon IngramSpark Barnes Noble Google Books and more Inside you'll find Practical step by step publishing checklists 150 customizable AI prompts for writing metadata marketing Formatting tips that get your book approved faster Real world strategies for saving time and money Insider advice for maximizing visibility across platforms Whether you're publishing your first book or your fifth this guide is your ultimate shortcut to professional quality publishing with AI help wherever you need it Perfect for New authors entrepreneurs nonfiction writers and anyone serious about getting their book into readers hands without the confusion or high costs This practical field tested guide helps you Save thousands of dollars in unnecessary service fees Cut your publishing timeline in half Launch your book with clear confidence not guesswork ISBN 9798992744026 LCCN 2025906574
