Beginner's Guide to the Obsidian Note Taking App and Second

Brain Marc A Palmer, 2024-10-15 Keeping track of ideas requires more than just a notepad; you need a system that can help network between those ideas to create highly relatable and rational thoughts, just like the brain. Fortunately, we are at the tech stage where options are available to connect our ideas and bring our dreams to light. This concept is the brain behind the development of Obsidian to help create a flexible note management system for both personal and commercial use. Currently, many note-taking programs are available, and chances are you are already using one. Obsidian is a unique and highly effective knowledge management app. It's built as a second brain, a markdown-based file reader with tags, plug-ins, and backlinks that can be linked to any relevant files in a designated folder or Vault to enable users to write, edit, and interlink their notes. This book shows you why it is worthwhile for you to migrate to Obsidian, why it is not just one of those regular note-taking apps, what its benefits are, and why you should care. How to take advantage of its unique features. How to keep your privacy. How to download, install, and use Obsidian step-by-step. How to create your first note. How to easily create a note from everywhere and every device you use. All about links and much more. All this comes with more than 70 screenshots to guide you properly.

[Money with AI: How ChatGPT Can Help You](#) Jay Nans, 2025-11-14 The ebook *Money with AI: How ChatGPT Can Help You* is a practical, beginner-friendly guide for honestly earning income using the free version of ChatGPT without requiring technical skills. Core Philosophy and Realism: The book establishes that ChatGPT functions as a time-saving assistant and production partner, not an automatic money-making machine requiring consistent human effort and oversight. It stresses avoiding get-rich-quick scams and setting realistic expectations; initial earnings are typically small and emerge after a few weeks to a few months of consistent work. Getting Started: Initial chapters focus on using the free version of the tool, explaining what ChatGPT can and cannot do, and detailing the creation of effective prompts. Key rules for successful prompts include being clear about the task, providing context, giving format instructions, and iteratively checking and improving the AI's output. Income Streams and Workflows: The majority of the guide outlines multiple low-barrier income streams, providing
