Content Strategy at Work Margot Bloomstein, 2012-02-17 Content is king and the new kingmaker and your message needs to align with your model and metrics and other mumbo jumbo right Whether you're sloggng through theory or buzzwords there's no denying content strategy is coming of age But what's in it for you And if you're not a content strategist why should you care Because even if content strategy isn't your job content's probably your problem and probably more than you think You or your business has a message you want to deliver right You can deliver that message through various channels and content types from Tweets to testimonials and photo galleries galore and your audience has just as many ways of engaging with it So many ways so much content so where's the problem That is the problem And you can measure it in time creativity money lost opportunity and the sobs you hear equally from creative directors project managers and search engine marketing specialists The solution is content strategy and this book offers real world examples and approaches you can adopt no matter your role on the team Put content strategy to work for you by gathering this book into your little hands and gobbling up never before seen case studies from teams at Johns Hopkins Medicine MINI Icebreaker and more Content Strategy at Work is a book for designers information architects copywriters project managers and anyone who works with visual or verbal content It discusses how you can communicate and forge a plan that will enable you your company or your client get that message across and foster better user experiences Presents a content strategy framework and ways to implement in both in house marketing departments and consultancies Includes case studies interviews and lessons learned from retail apparel network television business to business automotive non profit and higher ed brands Details practical sales techniques to sell content strategy and use content strategy processes to sell other

services and larger projects

The Rise of the Curator Class Steffon Davis, 2019-03-14 Pairing big ideas in marketing with the popular activity of content curation The Rise of the Curator Class positions curation as a humanization movement that is restructuring the internet Curation is set to overturn the 2 2 trillion global creative industry revolutionizing how we create market and discover content In the era of content overload and fake news in which everything to buy listen to read or watch is available online there is one group of people who have learned to thrive in this climate of superabundance the curator class whose influence and power grows as more people look to them as guides This new curator class is rewriting traditional curation tackling the overload and making sense of it for others In the past curation was available to an elite few Now internet platforms such as Pinterest Spotify and Twitter empower hundreds of millions of people to curate their ideas for anyone who may be interested revolutionizing how content is marketed and sold The Rise of the Curator Class explains how curation is disrupting internet commerce as consumer trust moves farther away from traditional brands and closer to the curators who lead tastes and it equips readers to think critically about how curation can work for them
