Make It To the Top Payal Nanjiani, 2024-09-16 You are working hard You are sustaining your job You are doing well in your field Life seems fine But there is something that s holding you back from making it to the top in your field of work That something could be an annoying habit a behaviour or a trait that s getting you stuck in your career All of us want promotions and salary increases We desire to make it to the top But most of us don t realize that these things cannot be asked for by putting our hands out You can get that promotion the salary raise the new project the visibility the sponsors the accolades and the achievements only when you work on yourself harder than you work on your job You must become such that success promotion and job offers begin to follow you everywhere In this book Payal Nanjiani points out that the reason why many do not make it to the top is not because of a lack of information abilities or skills Having private access to some of the world s most successful industry leaders she tells you that those who truly make it to the top in their careers are doing things differently than others An expert coach who helps leaders globally overcome their unconscious habits and behaviours to attain higher levels of success she has worked with corporates and leaders around the globe bringing about a huge transformation in the thinking and behaviours of leaders Her one on one coaching comes with a six figure price tag But in this book Payal shares some great advice and strategic solutions to reach the top without a hefty price tag The book has hands on advice on what to do how to do it and what transformation to bring about in your thinking and habits These ideas powers and habits have been tested in practice on numerous executives Payal has coached in the past eighteen years and are helpful to people in every part of the organization We all face challenges and deal with setbacks But in the long run you ll achieve incredible growth and success if you re willing to change your thinking and behaviours Are you

ready to unlock your leadership powers and live your best life

Work Less Jon Peirce, 2024-01-02 You can't have a healthy economy with an unhealthy work force Work Less proposes ways to reduce work hours and keep workers happier healthier and more productive Recent years have revealed just how stressed out many workers are While the trend to longer hours has been developing for several decades the trend's effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients customers and co-workers Exhausted and fed up today's workers are starting to insist on shorter hours and greater flexibility as to where they do their work There is growing consensus that the forty hour week the norm since the 1940s has outlived its usefulness And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties Work Less offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions
