Demasculinization of Men Conrad Riker, Still Playing by Rules Designed to Destroy You Ever watched a judge strip your rights as a dad while rewarding a mother's spite Tired of being a paycheck not a patriarch in a system that profits from your silence Afraid your sons will grow up in a world that calls their strength toxic Reveal the real data leftists bury about fatherless homes and societal collapse Outsmart courts rigged to bankrupt men and alienate them from their kids Learn why evolutionary biology proves male leadership isn't optional it's survival Dismantle the myth of toxic masculinity and reclaim pride in your instincts Protect your wealth from alimony traps and no fault divorce scams Discover how real men build legacies not apologies in a culture that hates them Unlock the red pill tactics to thrive in a system that wants you neutered Join the silent majority of men refusing to be slaves on the marriage plantation If you want to lead again not beg buy this book today **Cultural (Im)mobilities and the Virocene** Tzanelli, Rodanthi, 2021-11-19 This unique book considers

COVID 19 as one pandemic amongst many forming an episodic era of ebbing and flowing crises the Virocene Investigating COVID 19 in the context of the phenomenology of the crisis it offers critical exploration of key theses in the study of mobility and futures travel and citizenship Through thought provoking and insightful analysis Rodanthi Tzanelli suggests that COVID 19 and any highly infectious virus that follows evolves into the new self governing principle of various forms of movement acting as an ontological magnet as mobilities become reshaped by remote technologies the very order of reality changes

If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you're launching a start up you'll only succeed in Silicon Valley But with the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide *If You Could Live Anywhere* answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be **The Change Agent** Hernan Murdock, 2023-11-01 John Taylor has been hired to transform the underperforming internal audit unit at InSports The auditors are not reviewing what the audit committee and executive leadership consider essential for the organization's success their methodology is subpar

and their relationships with their clients are strained The audit committee has been patient but not anymore Their mandate is clear make clear improvements in one year or the function will be outsourced This is the story of a visionary leader who needs a strategy to transform processes and deliver better results for stakeholders at all levels within the organization The audit committee all levels of management and employees expect more from internal audit Now John must lead the group through 12 challenging months as they focus on what matters most when performing audit and advisory services They must communicate results faster and better leverage existing quality control and data analytics techniques and with every encounter help the organization address strategic operational compliance and financial risks With similarities to The Goal and The Phoenix Project and leveraging Kotter s 8 Step Process for Leading Change follow John and the internal audit team from Boston to New York San Francisco London and Buenos Aires as they address almost insurmountable challenges in their transformation journey

Kingdom Of Ten Thousand Things Gary Geddes,2012-08-14 For thirty years Gary Geddes has lived with his shadow self an obscure 5th century Buddhist monk named Huishen whose legend shanghaied his vivid imagination Huishen originally from Kabul Afghanistan reportedly sailed from China to Vancouver Island continuing southward to Mexico In a journey to recreate the travels of Huishen Geddes finds himself not only struggling to cross the ancient barriers of the Himalayas the Taklamakan Desert the Pacific Ocean and the jungles of Central America but also gingerly picking his way through Taliban landmines and Chinese and Zapatista politics From Afghan refugees to Tibetan monks and the ghost of Quetzalcoatl in Mexico Geddes encounters a host of quirky characters and fast friends none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries But not even Huishen could imagine the events of 9 11 which transform Geddes journey beyond a quest for an elusive monk into an exploration of the ways in which we learn to interpret history Sacred profane and richly comic Kingdom of Ten Thousand Things a Chinese term for life itself is a remarkable personal odyssey a cornucopia of adventure philosophy and hearsay a book that will disarm and delight while provoking debate just who got here first anyway
