The Stay-at-home Mom's Guide to Making Money from Home Liz Folger,2000 Written for mothers by a stay at home mom this book details how to find the right market niche based on talents and interests while providing income for the family

Power to the Middle Bill Schaninger,Bryan Hancock,Emily Field,2023-07-18 If you re thinking of cutting your midlevel managers in the new world of work think again Middle manager The term evokes a bygone industrial era in which managers functioned like cogs in a vast bureaucratic machine In recent decades midlevel managers became a favorite target for the chopping block underappreciated often considered a superfluous layer of the organization Not only does this outdated perspective need to change but the future demands it In Power to the Middle McKinsey thought leaders Bill Schaninger Bryan Hancock and Emily Field call for a profound reimagining of managers and their roles They explain how middle managers are uniquely positioned close to the ground but with a crucial connection to company strategy enabling them to guide their organizations through periods of rapid and complex change as well as to help shape the new world of work The authors compellingly illustrate this deep shift in the workplace showing how Managers are the key to winning the war for talent which requires strong people skills to attract and retain the best talent Managers must shift from merely enforcing rules to challenging them serving as critical stopgaps for rules that are ineffective or obsolete Crucially good managers must not be promoted out of their jobs Instead their title and compensation should reflect their high value and allow them to advance within their roles With rich stories and cutting edge research Power to the Middle offers a new model for companies to radically alter the way they hire train and reward their midlevel managers their most valuable asset
