How to Start a Podcast Using AI Benjamin Pollack, 2025-08-21 We are in a sweet spot AI tools are polished enough to deliver professional results The podcasting space is still wide open for new voices Most people still don t realize

how easy it's become to start. If you wait another two years the market will be more crowded and your unique idea might already be taken by someone else. Starting a podcast in 2025 is like starting a YouTube channel in 2010: the wave is building but it hasn't fully crested yet. If you get in now you can ride the momentum as AI reshapes the industry. This book gives you the roadmap, the tools, and the prompts to launch your podcast with confidence. Inside you'll learn how to Plan your show and define your audience. Build your podcast brand with AI-powered tools. Record and edit episodes quickly with professional results. Distribute your show across major platforms. Grow your audience and community. Monetize your content and create sustainable income. Avoid AI pitfalls while keeping your authentic voice. You don't need a studio or expensive equipment, just your voice, a laptop, and the willingness to start. With the help of AI you can cut your production time in half, create better content faster, and focus on what matters most: connecting with your listeners. Whether you're an entrepreneur, educator, storyteller, or simply someone with a passion to share, this guide will help you go from idea to published podcast in days instead of months. Your audience is already out there scrolling through Apple Podcasts or Spotify looking for someone like you. This book will help you make sure they find you.

Podcasting Pro Basics Orlando Rios, 2016-02-12. In *Podcasting Pro Basics* you will learn which equipment is best for podcasting at any budget, which software is ideal for recording, some tips on developing your show, and even some of the editing techniques used to get shows sounding crisp and enjoyable. Then, to top it all off, you will learn how to get your show published on iTunes and Stitcher, the top two podcast listening platforms in the world. Orlando Rios is a podcasting tour de force. He has produced two podcasts of over 1 million downloads each and tackled all manner of challenges along the way. For anyone interested in the production, dissemination, and creation of podcasts, this guide is an invaluable resource.

Aubrey Marcus: Aubrey Marcus Podcast. I can honestly say that my podcast would have never gotten off the ground without Orlando Rios. He took me through the process step by step when I had no clue what I was doing. He's literally solved every technical problem I've ever encountered, and he's had the answer to every question I've ever asked. His knowledge on the subject is unmatched. Plus, his editing skills are impeccable. If you're looking to start your own podcast, this is the guy you want to learn from.

Joe DeFranco: *Industrial Strength Show*. *Podcasting Pro Basics* is a must-read if you are just starting out as a podcaster. Even as a published podcaster, I've learned several things that have already made my podcast audio and presentation much better. It is written in a very easily consumable way that will ultimately save you time and money while helping you produce the best possible product.

Jason Havey: *Spinning Logic Podcast*. Podcast George Sims, 2020-10-11. Are you ready to start your own podcast? Learning how to podcast isn't hard, but there are a lot of steps you need to take to get it started. Don't worry, this is the perfect beginner's guide to creating your podcast. It will take you from "I don't know where to start" to "Wow, I'm a podcaster in the easiest possible way." You will learn: How to plan like a Pro. Why you need a minimalist approach. Episode format. The equipment you need. Where to publish your podcast. Recording, editing, publishing, and distribution. How to monetize your podcast. Several marketing strategies. And much more. Podcasting is much

less crowded and competitive than blogging this is a perfect time to start I want to be clear normally the first experiments are difficult and the results do not fully satisfy you but be strong and try to persevere With time and experience you will achieve remarkable results and reach more and more people As in any other area you can't improvise in podcasting It is necessary to mature with constancy and determination That is why you need this book in your hand This step by step guide will help you build interesting content that makes listeners understand what problems you solve
