10 Ways to Use ChatGPT in Highschool and College, 2022. *ChatGPT for Students* Frank Blackwell, 2025-05. ChatGPT as a free or inexpensive tool is the future. This 6-page laminated guide will help unleash the power of AI as a learning tool used responsibly, boosting the value of an education by increasing productivity and creativity along with enhanced studying techniques, writing, research, organizing, and an aid for mental health. Students have been using Artificial Intelligence for years with little or no guidance. This includes some success but also the kind of use that disrupts learning. Use includes cheating without truly understanding that boundary of cheating and responsible and effective use. This weakens the power of the educational instruction built to help students be successful in the future. Knowing how to ask AI the right questions is prompt engineering, and this reference provides strategies, insights, and guidance that can unlock the kind of support AI can offer as a resource to reach goals faster and with better results. Skill sets become stronger, and this prepares students for the future of work using AI as a tool. Technical writer and AI prompt engineer Frank Blackwell streamlined his knowledge of AI use for
