TEACHING ENGLISH IN GLOBAL CONTEXTS: Language, Learners and Learning Valentina Canese, Susan Spezzini, 2023-11-07 **The 21st-Century Elementary School Library Program** Carl A. Harvey II, 2016-12-05 Compact yet remarkably comprehensive this book covers all the major aspects of school library services from administration to instruction focused from the elementary school librarian perspective now updated and expanded to include the latest developments in makerspaces the Common Core social networking and eBooks How do you accomplish a technology transformation at a time when budgets are extremely limited What is the proper location for web based social networking in the school library What are the best practices for working together with students parents and educators The 21st Century Elementary School Library Program Managing for Results is an invaluable resource for answers to these and many more questions as it brings together in one volume the advice and insights you need to bring your library into the new century This invaluable guide provides tips and techniques forms and templates and advice on everything from staffing and budgeting to collaborating with teachers and other libraries to Web 2 0 and other new computer tools for building collections and devising special programs Whether you are just getting started or are a library veteran seeking effective program renewal this book belongs on your shelf **Work Less** Jon Peirce, 2024-01-02 You can t have a healthy economy with an unhealthy work force Work Less proposes ways to reduce work hours and keep workers happier healthier and more productive Recent years have revealed just how stressed out many workers are While the trend to longer hours has been developing for several decades the trend s effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients customers and co workers Exhausted and fed up today s workers are starting to insist on shorter hours and greater flexibility as to where they do their work There is growing consensus that the forty hour week the norm since the 1940s has outlived its usefulness And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties Work Less offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions **Higher Education Beyond COVID** Regan A. R. Gurung, Dwaine Plaza, 2023-11-14 This book illustrates how higher education responded to the COVID 19 pandemic and grew from it The pandemic impacted faculty development drew a greater focus on the measurement of effective teaching in higher education and provided a better understanding of what was needed to better aid educators in colleges and universities nationwide The stage is set for a more resilient higher education with chapters illustrating new paradigms and promise Three themes are highlighted throughout this volume Authors underscore the need to explore different modalities of delivery for faculty development and instruction to enhance the leverage of technology in course design and to refine faculty development for holistic development Pulling together empirical data on college faculty administration and student responses

to the pandemic chapter authors address the unique issues faced by educators and highlight successes and challenges in working with existing Centers for Teaching and Learning CTLs and information technology structures Featuring contributions from diverse institutions each chapter provides specific guidelines and recommendations for higher education to set the stage for innovation and change Laying the groundwork for the design of more effective models of faculty development for higher education this book is a valuable resource for higher education administrators and faculty to improve higher education going forward *Teacher's Guide* Karen Gentry-Ederer,2012-09-30 Create a common language for the school teachers and parents with the help of this Teacher s Guide With ideas and supporting materials for easy and effective family night activities centered around specific content areas teachers can easily encourage parent involvement These activities help acquaint parents and students with the eighth grade classroom creating a more cohesive learning environment for students *Block Scheduling* David J.
