Highly Rated Remote Work Productivity Tips For Men:

A Creative Approach to the Employee Engagement Dilemma Lisa Fisher, 2023-11-17 Despite employee engagement literature spanning more than three decades persistent challenges remain and many seem to be permeating organizations from the outside in Organizations invested in current structures adhering to larger cultural ideas and taking cues from other organizations compartmentalize engagement as a people problem and relegate it to a space outside of normal operations This is the employee engagement dilemma The US macro cultural lens focusing on individualism and meritocracy reinforces and confirms this approach and the logic underlying it These cultural ideas drive scholars and practitioners toward ever closer examination of circumstances within organizational settings and so the dilemma remains In the context of the Fourth Industrial Revolution and the Great Resignation the employee engagement stakes have never been higher especially for organizations with remote workforces In A Creative Approach to the Employee Engagement Dilemma Larger Cultural Influences and New Theoretical Insights Fisher employs a symbolic interactionist lens and other theoretical tools to interrogate the current trajectory and make visible foundational cultural assumptions operating in and influencing organizations from the outside that delimit our thinking about and undermine engagement before it even begins Equipped with these larger cultural insights Fisher then revisits the engagement literature and broader scholarly offerings to pull in novel insights applied research solutions and new directions for future studies

Huang,2025-01-13 Accessible thorough guide to merging data analysis and AI with new talent strategies The Inclusion Equation is a comprehensive one of a kind guide to merging DEI and employee wellbeing concepts with data analytics and AI In this book renowned thought leader and professional keynote speaker Dr Serena Huang explains exactly how to quantify the effectiveness of new talent strategies by connecting them to a firm ROI estimate enabling readers to approach and win the favor of higher ups in any organization with the same effectiveness that marketing and financial departments do This book is written in a style that is appealing and accessible to all readers regardless of technical background but with enough depth to provide real insight and strategies Dr Serena H Huang distills her 10 years of Fortune 500 people analytics leadership experience into tools and framework you can leverage to measure and improve DEI and wellbeing in your workplace Some of the topics explored in this book include Attract and retain top talent including Gen Z and Millennials with tailored DEI and wellbeing strategies Quantifying not only a talent strategy s perceived initial effect on an organization but also its improvement and expansion over time Turning DEI and wellbeing from illusive corporate concepts to quantifiable metrics Harness the power of AI to create synchronized DEI and wellbeing strategies that maximize ROI Getting serious attention from your CEO and CFO by quantifying HR initiatives Using data storytelling to demonstrate the business impact of DEI and wellbeing Preparing for the future by understanding the role of AI in creating an inclusive and healthy workplace The Inclusion Equation is a complete guide for DEI and wellbeing covering getting started in measurement to using storytelling to influence leadership This is the contemporary playbook for any organization intending to substantially improve their diversity equity inclusion and employee wellbeing by leveraging data AI This book is also perfect for any data analytics professionals who want to understand how to apply analytics to issues that keep their CEOs up at night Whether you are a data expert or data novice as long as you are serious about improving DEI and wellbeing this book is for you **The Mother in Psychoanalysis and Beyond** Rosalind Mayo,Christina Moutsou,2016-10-04 The question of what it means to be a mother is a very contentious topic in psychoanalysis and in wider society The Mother in Psychoanalysis and Beyond explores our relationship to the maternal through psychoanalysis philosophy art and political and gender studies Over two years a group of psychotherapists and members of the public met at the Philadelphia Association for a series of seminars on the Maternal In the discussions that followed a chasm opened up slowly and painfully between the

idealised longings and fantasies we all share and the realities of maternal experiences here were met the great silences of love loss longing memories desire hatred and ambivalence This book is the result of this bringing together in conversation and reflections of what so often seems unsayable about the Mother It examines how issues of personal and gender identity are shaped by the ideals of separation from the mother the fears and anxiety of merging with the mother and how this has often led in psychoanalysis and society to holding mothers responsible for a variety of personal and social ills and problems in which maternal vulnerability is denied and silenced There are two main themes running throughout the book Matricide and Maternal Subjectivity On the theme of matricide several contributors discuss the ways in which the discourse and narratives of the Mother have been silenced on a sociocultural level and within psychoanalysis and philosophy in favour of discourses that promote independence autonomy power and the avoidance and denial of our fundamental helplessness and vulnerability On the theme of maternal subjectivity several chapters look at the actual experience of mothering and or our relationship to our mother to highlight the ways in which the maternal is intimately connected with human subjectivity The Mother in Psychoanalysis and Beyond provides new and provocative thinking about the maternal and its place in various contemporary discourses It will appeal to psychoanalysts psychotherapists and psychologists of different schools scholars and advanced students of art gender studies politics and philosophy as well as anyone interested in maternity studies and the relationship between the maternal and human subjectivity
