Ithaca Manual of Style (second edition) Michael Pastore,2024-07-22 Most traditional style guides are mere reference books containing countless tedious rules and reminders about SPUG spelling punctuation usage and grammar The Ithaca Manual of Style is not about the fanatic obsession with correctness In a lively style the Ithaca Manual illuminates how professional writers write with precision power energy and passion From the book What is style It is more vastly more than the sum of the diction the choice and use of words the syntax the arrangement of words in phrases and sentences and the careful crafting of sentences to transmit an idea or evoke a feeling Style in great writing the sincerest expression of the author s inmost self This expanded second edition boasts 45 chapters and 450 pages This ebook in the EPUB format contains all the same information as the 450 page paperback at half the price 100% Made with NI Natural Intelligence

Trust and Marketing Communication in the Food Industry Hanna Górska-Warsewicz,Irena Ozimek,Olena Kulykovets,Julita Szlachciuk,2026-01-22 This book explores trust based marketing

communication within the food marketing industry. It presents a comprehensive conceptual model that encompasses three pillars: traditional, modern, and AI-driven marketing communication. By examining these pillars, the book explores the informational role and legal aspects of food marketing, offering a detailed and structured approach to understanding and enhancing consumer trust. Readers will benefit from a deep dive into the current state of food marketing communication, enriched by a solid theoretical background and empirical case studies. The book highlights the significance of trust-based communication by proposing a conceptual model that integrates traditional, modern, and AI-driven strategies. Key benefits include the following:

- A clear conceptual model of trust-based marketing communication.
- Insights into the current knowledge and practices in food marketing communication.
- Detailed exploration of traditional, modern, and AI-based marketing strategies.
- Empirical case studies demonstrating the application of these concepts.
- Examination of legal regulations impacting food marketing.

This book is an invaluable resource for academic scholars, students, and researchers interested in food marketing and communication. Additionally, it serves as a practical guide for managers, marketers, and industry professionals seeking to build and maintain consumer trust through effective marketing strategies. It is particularly relevant for those aiming to navigate the complexities of modern marketing communication while adhering to legal standards.
