Changing World Economic Order in the Post-Pandemic Period Mahapatra, Sushanta Kumar,Sarin, Vishal,2023-06-02 Post COVID 19 the world will never be the same The pandemic not

only shattered many assumptions about economic developments and growth but it also challenged our preparedness to face any unpredictable challenge as a human civilization in an era where science and technology is at its peak To suppress the spread of COVID 19 many countries resorted to partial or full closure of their borders and restricted the movement of people Mandatory quarantine restricted labor mobility and workplace closure which later converted into supply shocks in the economy as these measures impaired the economy's production capacity disrupting supplies This later spilled over to the demand side as people were locked down in their homes and workers were laid off and lost income This disruption posed many new challenges for policymakers to formulate appropriate macroeconomic policy responses and also provided them the opportunity to ponder upon the preparedness of countries in terms of health facilities appropriately compensating human resources how to cushion immediate and severe economic shocks and how to maintain the livelihood of the society as a whole Changing World Economic Order in the Post Pandemic Period provides scientific knowledge of the current economic scenarios across the globe with a comprehensive overview of the pandemic and regional initiatives trends of trade and development and approaches to overcome obstacles of globalization and the impacts on global trade and economic development in light of the pandemic The chapters present tangible solutions and attainable perspectives for fighting a battle against the pandemic while keeping the morale of the people and economy high Highlighted topics include post pandemic economic development public policy in emergency situations socio economic impacts on enterprises risk governance and impacts of COVID 19 This book is ideally intended for university students researchers policymakers economic actors economists practitioners stakeholders government officials academicians and anyone interested in the impact of a pandemic on the global economy and how to deal with such issues in the future

Building High-performance People and Organizations Martha I. Finney, 2008 Business success depends on employee innovation drive skill endurance and dedication Engaged employees studies show provide tangible advantages to the organization and its bottom line greater customer satisfaction reduced turnover higher productivity improved profitability better safety results and higher stock prices In contrast the Gallup Organization has discovered that disengaged workers cost U S business between 250 billion and 350 billion each year How do you engage employees and in turn create the high performance organization With a different emphasis in each volume that's what this set is all about Volume 1 The New Employer Employee Relationship Volume 2 The Engaged Workplace Organizational Strategies Volume 3 Case Studies and Conversations From the latest theories on motivation to innovations in HR to methods to increased employee retention it provides the essential insights and tools managers leaders and HR people need to find new ways to succeed while keeping employees happy productive and loyal Employees know that cradle to grave or even week to week employment security is a thing of the past and that they are at the helm of their own career ship Discerning consumers in the employment marketplace they therefore seek employment opportunities that speak not only to their wallets and life circumstances but also to their desire to find work that provides

purpose and passion How can employers meet these needs and create a team of engaged employees That s a large question and one that spans a spectrum of issues that includes career development human resource management and the alignment between individual and organizational goals In these three volumes leaders and managers will find answers They feature articles interviews and reports from academics psychologists managers in the practical corporate world and experts in career management Despite what Donald Trump might say work is personal and the ways in which individuals navigate the organizational environment and businesses organize to seek attract and retain the best employees is of primary concern That goes double in these turbulent times when job security is at stake cynicism rampant and loyalty at risk This set Covers both theories and practices driving the development of the modern employment relationship from both employee and organizational perspectives Touches on the timely issues of career management balance of personal and professional goals and for organizations finding and retaining the best employees and creating workplace cultures that inspire them to do their best work Provides principles and practices that can be used by companies of all sizes in all sectors and in all parts of the world Features an all star cast of contributors from corporate leadership academia practice and consulting special elements include interviews with business leaders and many best practice examples Building High Performance People and Organizations connects the dots so employers can maintain a loyal satisfied and productive workforce Volume 1 The New Employer Employee Relationship This volume looks at trends in demographics and the general business environment leading to and driving the concept of employee engagement It addresses such issues as changing workforce demographics essential considerations in using employeesurveys building a high performance culture measuring and managing human capital engagement and change management managing virtual work teams and the impact of globalization and technology on the employer employee relationship Volume 2 The Engaged Workplace Organizational Strategies This volume focuses on real world organizational strategies to find develop and retain the best employees with an emphasis on innovative practices in both the U S and internationally Topics covered include hiring and staffing strategies the essential elements of work life balance
