podcasting with all the contradicting and often false information scattered all over the internet it's no wonder why so many people often struggle to find a starting point when there's so many conflicting views on what the best quality equipment is what launch strategy should be used and even editing. In fact it can even create the illusion that starting a podcast is a daunting and time consuming process. You might be reluctant to commit to something you lack both knowledge and experience in or you're worried that when you do make that leap there'll be no one on the other side listening. Maybe you're skeptical of whether you'll be able to get guests on as a newbie with no name to yourself. In *Podcasting Made Simple* you will discover The X factor that leaves listeners craving their next fix of your content. The secret to creating an immersive parasocial relationship with your audience. Why trying to monetize incorrectly can actually ruin your chances of turning your hobby to an income. Why many podcasters advertisement and promotion actually repels potential listeners. How to create a loveable personal brand through emotional familiarity. The simple straight forward guide to recording and editing equipment recommendations included 5 simple tricks to make postproduction a breeze. How to choose and execute the launch strategy that's right for you. Why over half of podcasts are given up on by 6 months down the line. How to format the perfect email that will get sponsors running your way even if you have a low listenership. Unique ways to start attracting guests and become an authoritative figure. The pre guest ritual that guarantees a free flowing interview. The single most important voice technique that you can use to differentiate your show from competitors. This digestible guide is made for people who have no experience so yes this will work for you even if you've never spoken into a microphone. Even if you're not a technology guru and have no presence on social media. Even if you have an extremely busy schedule and a low budget. Even if you think your content ideas are absolutely absurd and no one will listen. Even if there are thousands of podcasts similar to yours already published and you have no marketing experience.
