**Railroad Telegrapher**, 1927 **Aren't You Tired of It Yet?** Alan Schmidtberg, 2007-11 I wrote *Aren't You Tired of It Yet?* because I am sick and tired of being screwed by our carpetbagging shyster politicians I m sick of paying higher and higher taxes and getting less and less I m tired of my tax dollars being wasted on pork barrel goodies and paybacks to big buck contributors and special interest groups I m tired of political correctness and liberal crybabies being soft on criminals they sentence someone to death and then don't kill em I m sick of hearing save the whales and save the trees but abortions are okay I m tired of our open border policy of losing the war on drugs of our troops dying in Iraq and the downsizing of our military I wrote this book to get to you the American people so that you can help me stop the way that our political leaders are giving away our jobs and running our country into the ground Let s not give away the land of the free home of the brave **A view From The Bottom** Marlin, 2013-11-29 I am one of 10 children from a poor family We grew up on food from the surplus food program I worked as a structural steel fitter ship fitter and millwright until I figured out that the equipment was more valuable than the people who used it we were replaceable if we got injured or killed I joined the Los Barbados Motorcycle Club and began to move to a new world during the early 1970 s We changed over to become members of the Outlaws Motorcycle Club shortly after that I spent about 8 years as an outlaw Then I went to college starting in 1976 using Federal Job Power money I moved from the biker world to a new world of what was then white collar jobs This is the story of some of my time in each world and my transition between worlds The rules for each are so different they are effectively different worlds existing in the same physical space of this planet It is clear to me why someone who becomes socially successful can't go back and help others from their old world If you have something to lose law enforcement types will use that against you if you stay in contact with old friends from unacceptable worlds I currently have a Masters degree in Computer Science from George Mason University and graduated with a 4.0 GPA **The Police Journal**, 1928 There Are Smiles That Make Us

Blue Barry Hawkins, 2003-11 NYPD Detective Frank Terranova has enough on his hands dealing with a bad neighborhood a relationship on the rocks and a recently controlled drinking problem But he wasn't expecting the volcano of problems that exploded out of a homicide case on his turf The shock waves reverberate from Manhattan's Ninth Precinct to the slums of Argentina Every time Frank thinks he has an answer another surprise is waiting for him The victim's beautiful widow exerts a seductive pull at Terranova's heart while he tries to keep from being made either a fool or a corpse by a cast of players that includes drug traffickers terrorists and fanatical fascist groups The danger reaches critical levels as his loved ones are taken hostage Vital information to save them is hidden behind cloaks of secrecy in hospital corridors and corporate office buildings while a mysterious drug converts people into grinning murderous automatons Frank faces challenges to his detective skills and the core of who he is But while he conducts his self examination he will have a loaded gun in his hand and plenty of extra ammunition
