Coping With A Single Parent Home

Michael Hardey, Graham Crow

Coping With A Single Parent Home:

Coping in a Single-parent Home Bill R. Wagoner, 1995 Discusses coping with the problems of living in a single parent home

Sociology of Families David M Newman, Elizabeth Grauerholz, 2002-02-19 Sociology of Families Second Edition begins at the level of the individual by examining familiar contemporary issues topics students are likely to feel strongly about David Newman and Liz Grauerholz next show students the deeper and more detailed sociological underpinnings of the issues at hand using the theories and data of social sciences to understand the meaning and broader relevance of these controversies and experiences

Single Parent Families Marvin B Sussman, Shirley Hanson, 2014-05-12 Here is a comprehensive source of vital information on single parent families in contemporary society This book analyzes literature and empirical research concerning single parent families and explores issues and challenges they face Contributing authors from many fields and perspectives examine a broad range of subjects relating to families in which one person is primarily responsible for parenting The only state of the art compendium on the topic of single parent families available today the book synthesizes empirical theoretical and contemporary literature about the diversity myths and realities of single parent families in western countries Each chapter contains a demographic overview definitions a literature review and implications for practice research education and social policy Theoretical and conceptual perspectives related to parenting and wider families are included An analysis synthesis and commentary on single parent families concludes the volume Themes highlighted throughout the book include socioeconomic and demographic characteristics of single parent families cultural and ethnic features and legal and ethical components Some chapter topics include single parenthood following divorce single parenthood following death of a spouse never married teen mothers and fathers female headed homeless families adoptions by single parents noncustodial mothers and fathers grandparents as primary parents single parents of children with disabilities Single Parent Families contains additional resources useful for family professionals an annotated bibliography a video filmography and a national community resource list The book is intended for a multidisciplinary audience including sociologists psychologists health care professionals social workers therapists and other researchers clinicians policymakers and educators An ideal primary or reference text for undergraduate and graduate level programs the book can also serve as a tool for staff development and continuing education in service agencies

Single Mom Survival Guide: How to Handle Everything Alone Without Burning Out Luisa Lorek, 2025-07-30 Are you a single mom feeling overwhelmed exhausted and stretched too thin You're not alone Parenting solo is one of the toughest jobs in the world but you can find balance confidence and even joy in the journey This single mom survival guide is your roadmap to Reduce stress avoid burnout Learn simple science backed ways to manage the mental load of solo parenting without losing yourself Rebuild confidence Shift from I can't do this to I've got this with powerful mindset tools Create stability for your child Discover routines discipline strategies and emotional connection tips that work for single parent households Find time for yourself guilt free Because you

can't pour from an empty cup Packed with real single mom stories therapist approved advice and bite sized self care strategies this book is like a supportive friend who gets it You'll learn How to handle parenting alone without burning out even on cereal for dinner nights Ways to cope with loneliness guilt and financial stress as a single mother The 1 mistake solo parents make with discipline and how to fix it Quick 5 minute recharge tricks for when you're running on fumes Perfect for Newly single moms navigating divorce or separation Long time solo parents needing fresh strategies Any single mother who's ever thought I can't do this alone

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted, disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming passé according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century

Lone Parenthood Michael Hardey, Graham Crow, 1991 This book is about single parents who make up an increasingly important and controversial group in Western society The growth in the number of single parent households is linked to debates about the decline of family values and questions about state involvement in family life Their economic and social deprivation relative to two parent households is now a persistent theme of political and academic debates about social policy Lone Parenthood sets out to explore the nature of the challenge that single parents present to social policy and conventional thinking about families Contributions from a group of authors from a range of disciplinary backgrounds bring together important current research and theory on this major aspect of modern society A central theme of the book concerns the particular difficulties faced by single parents bringing up their children without a partner in the household While the authors recognize that individuals have entered single parenthood through various routes and have different ways of coping with the problems they may encounter they also see that single parents are united by the common experience of having to make their own lives and those of their children without the support of a partner and with limited support from the State This timely study of single parents is essential reading for students and researchers of family sociology the sociology of gender women's studies and social policy and professional social community and voluntary sector workers

The Joy of Single Parenting Elnader Hale, 2009-04-18 This book is about the stigma imposed on Single Parents as the results of a few Single Parents who have fallen down and refused to get up It is the author's intent to ignite discussion and ideas on how we as a people can reach back and help one single parent or the child of a single parent to become all he or she can be towards attaining the American Dream I hope you enjoy these food for thought and join me in my mission of changing the life of a child or a single parent

Therapy with Single Parents Joan D Atwood, Frank Genovese, 2014-02-25 Provide effective counseling to members of single parent families With more than half of all first marriages ending in divorce it's time to re-think the notion that divorce means failure Therapy with Single Parents focuses on the strengths of the single parent family rather than its weaknesses stressing the need to look at the socially constructed

norms values and definitions associated with marriage and family in order to provide effective counseling This unique book examines experiences that are common to single parents and presents interventive strategies for treating single parent family issues drawing on clinical case studies to provide technical knowledge in everyday language Current research shows that single parents account for 27 percent of family households that include children under 18 and that the number of single mothers in the United States more than tripled between 1970 and 2000 Therapy with Single Parents challenges outdated notions that the single parent family is somehow deficient and associated with adjustment problems in children It doesn't ignore the anger pain sadness and guilt experienced by many members of single parent families but offers therapeutic considerations from a more balanced approach The book examines the social psychological and sexual experiences of newly single parents and addresses the ups and downs they'll face in dealing with schools the workplace and social services Therapy with Single Parents examines social and psychological differences between divorce and widowhood cognitive behavioral principles of single parent families what children can learn from divorce dealing with the ghosts of past relationships relationship rules dealing with adult children and extended families the effect of change in divorcing families the feminization of poverty the therapeutic value of social networks Therapy with Single Parents is an invaluable resource for psychologists professional counselors social workers and marriage and family therapists The book presents a thorough in depth examination of the single parent family system as a viable healthy family form

Dealing with Child Abuse and Neglect as Public Health Problems Jack C. Westman, 2019-03-23 This thought provoking volume defines child abuse and neglect as a public health crisis both in terms of injuries and mental health problems and as a link to poverty and other negative social outcomes The author identifies key factors contributing to this situation in particular juvenile ageism the pervasive othering of children and youth coupled with the assumption of parental competence until severe abuse or neglect proves otherwise The book's practical answers to these complex issues involve recognizing and balancing the rights of parents and children and responding to the diverse needs of new competent and dysfunctional families To this end a comprehensive prevention model is outlined featuring primary secondary and tertiary interventions Included in the coverage Child abuse and neglect in the United States The impact of juvenile ageism on individuals The devaluation of parenthood The rights and needs of newborn babies and young children Overcoming our crisis recoil response Barriers to change and hope for the future Dealing with Child Abuse and Neglect as Public Health Problems should engage professionals in the public health healthcare and social services sectors It should also attract parents in struggling families as well as other laypersons such as policymakers and child advocates interested in improving current social conditions

The Single Parent, 1984
Helping Single Parents Greg Cynaumon, 1992-06 Help single parents with troubled kids reverse the cycle of generational divorce and relational trauma Learn warning signs the church's role and how to work with each member of the family Includes reproducible materials and support group discussion guides for 12 sessions with single parents children and

teens *Encyclopedia of School Psychology* Steven W. Lee, 2005-04-27 The Encyclopedia of School Psychology provides both an introduction to the field and a way for experienced practitioners to gain a deeper understanding of how school psychology has progressed to match the demands of the 21st century BOOK JACKET **Lone Parenthood** Michael Hardey, Graham Crow, 1991 This work explores the nature of the challenge that lone parents present to social policy and conventional thinking about families It deals with the common problems with which lone parents have to contend whilst acknowledging that lone parenthood occurs for a number of different reasons *Coping*, 1981 *My Home Has One Parent* Ann Cannon, 1983 Written for children in single parent households this provides advice on dealing with various problems including the overprotective parent guilt or shame about being with only one parent and the dating parent
