Ross, 1995-01-01 Although Dr Ross has found no evidence of a widespread Satanic network he is open to the possibility that a certain percentage of his patients memories may be entirely or partially historically accurate In treatment he recommends that the therapist adopt an attitude hovering between disbelief and credulous entrapment      **Outbreak!** Hilary Evans, Robert E. Bartholomew, 2009 From fads crazes and manias to collective delusions scares panics and mass hysterias history is replete with examples of remarkable social behavior Many are fueled by fear and uncertainty others are driven by hope and expectation For others still the causes are more obscure This massive collection of extraordinary social behaviors spans more than two millennia and attempts to place many of the episodes within their greater historical and cultural context Perhaps the most well known example of unusual collective behavior occurred in 1938 when a million or more Americans were frightened or panicked after listening to a realistic radio drama about a Martian invasion of New Jersey based on an adaptation of the H G Wells novel War of the Worlds Less known but equally remarkable scares based on Wells book occurred in Chile in 1944 when Army units were mobilized in Ecuador in 1949 when riots broke out leaving more than a dozen dead as well as in Buffalo in 1968 Rhode Island in 1974 and Europe in 1988 and 1998 The modern civilized world is by no means immune to such peculiar episodes In the late 20th century scores of people in the U S and Europe were wrongly incarcerated following claims of Satanic ritual abuse by authorities untutored in False Memory Syndrome This episode recalls the European witch terror of the late Middle Ages when innocent people were tortured and executed for consorting with the Devil based on the flimsiest of evidence OUTBREAK THE ENCYCLOPEDIA OF EXTRAORDINARY SOCIAL BEHAVIOR is an authoritative reference on a broad range of topics collective behavior deviance social and perceptual psychology sociology history folklore religious studies political science social anthropology gender studies critical thinking and mental health Never before have so many sources been brought together on the mesmerizing topic of collective behavior

**Religion, Church, and Education in the Barents Region** ,1997      The Psychology of Adolescent Satanism Anthony

Moriarty,1992-10-09 This book addresses the problems of adolescent Satanism from a psychological viewpoint It includes the developmental dynamics that underlie four different types of young people who become involved in Satanism and provides an analysis of risk factors The author critically evaluates the philosophy of Satanism through a review of The Satanic Bible and further appraises the causes of Satanism by examining the roles of power ritual and dualistic thinking in young people s lives In addition Moriarty evaluates how communication patterns and parenting styles impact on a young person s vulnerability to become involved in Satanism This is also the first book to describe the relationship between Satanism and suicide Finally it closes with ten practical suggestions for parents and others that will lead to effective prevention Six major conclusions challenge a number of prevailing myths Satanic beliefs and philosophy should be made known to everyone therefore destroying the claim to be occult or hidden There is no single type of personality drawn to Satanism as commonly suggested by law enforcement Four types are identified by the author Satanism must be viewed as a developmental process to be properly understood People often contribute to an individual s vulnerability to Satanism by how they relate to children and adolescents There is a significant relationship between suicide and Satanism that needs to be addressed in dealing with young people Adolescent Satanism is a problem that is largely preventable if certain guidelines are followed This volume is intended for a wide audience including parents teachers clergy counselors and other mental health professionals and is a valuable resource for law enforcement personnel
