Coping With Blushing Paperback:

Coping with Blushing Robert Edelmann, Robert J. Edelmann, 2021-12-23 I just couldn't stop blushing. It was awful. It's the thing you dread most. You're at a party giving a presentation, joining a new evening class or even meeting your online date in real life for the first time. You feel the warmth creeping up over their face; you know they've noticed and now they'll think you're socially inept or awkward or nervous. The more embarrassed you feel, the more you blush. But it doesn't need to be this way. Blushing is not something to be feared, and there are ways to break the cycle and regain control of your anxiety. Professor Edelmann offers proven, practical and easy-to-manage strategies to unlearn feelings of failure and to not only survive but thrive in any social or professional situation. *Be More Confident* Paul Jenner, 2018-02-15 Self-confidence is a crucial ingredient in your personal skill set. Whether you need to demonstrate your aptitude at work or feel calmer and less anxious in social situations, being able to express yourself with confidence and appear at ease is well within your reach. *Be More Confident* brings the social networking strategies of the business and professional world to your personal life, helping you to overcome shyness, win friends and make an impact in every social situation. It uses proven techniques, interactive tools, case studies and motivational advice to help you communicate better and relate to others in a natural way. If you've always been a little shy, it will give you practical help on everything from body language to great conversation openers. Covering work, home relationships, social media and every other area of your daily routine, this practical, outcome-focused book will help you feel better, not only about yourself but about the way in which you talk to people, make friends and make an impression. **ABOUT THE SERIES** People have been learning with *Teach Yourself* since 1938. With a vast range of practical how-to guides covering language, learning, lifestyle, hobbies, business, psychology and self-help, there's a *Teach Yourself* book for whatever you want to do. Join more than 60 million people who have reached their goals with *Teach Yourself* and never stop learning. *My Paperback Book* Valentine Williams, 2014-10-03 These are dark, unusual short stories with a twist from the prizewinning author of *The Poison Garden* of Dorelia Jones, *Losing It* and *The Marsh People*. Here's the woman with the sinister pet, the man who returns to the sea, the website promising the earth, the skull removed from the museum display case, a talking crow and many other tales to keep you awake at night. Widely published in *Dark Tales*, *Black Cat* and other journals, these stories are presented here as a collection. The author lives in a forgotten corner of Shropshire in an old cottage with a well under the floor and tries to stop the garden getting into the house. Also a poet, she gives readings and has had many of her poems published. She has a MA in Writing Studies.
