Sugars That Heal Emil I. Mondoa,2002-06-25 Sugars that heal it sounds like a contradiction in terms but it s the key to one of the most important breakthroughs in recent medical science We ve all been bombarded with warnings about the evils of consuming too much sugar But in fact for our bodies to function properly we need small amounts of eight essential sugars only two of which glucose and galactose are commonly found in our limited overprocessed diets When all eight sugars are available the health benefits can be breathtaking Individuals regain their ability to fight disease reactivate their immune systems and are able to ward off infection Based on cutting edge research in the rapidly evolving science of glyconutrients Sugars That Heal is an exciting new approach to health and disease prevention As medical doctor and scientific researcher Emil Mondoa explains these eight essential sugars known as saccharides are the basis of multicellular intelligence the ability of cells to communicate cohere and work together to keep us healthy and balanced Even tiny amounts of these sugars or lack of them have profound effects In test after test conducted at leading institutes around the world saccharides have been shown to lower cholesterol increase lean muscle mass decrease body fat accelerate wound healing ease allergy symptoms and allay autoimmune diseases such as arthritis psoriasis and diabetes Bacterial infections including the recurrent ear infections that plague toddlers often respond remarkably to saccharides as do many viruses from the common cold to the flu from herpes to HIV The debilitating symptoms of chronic fatigue syndrome fibromyalgia and Gulf War syndrome frequently abate after adding saccharides And for cancer patients saccharides mitigate the toxic effects of radiation and chemotherapy while augmenting their cancer killing effects resulting in prolonged survival and improved quality of life Sugars That Heal offers a revolutionary new health plan based on the science of glyconutrients foods that contain saccharides It gives authoritative guidance for getting all eight saccharides conveniently into your diet through supplements and readily available foods as well as detailed information on correct dosages Here too are chapters dealing with the special nutritional needs of people suffering from cancer heart disease asthma and neurological disorders and methods for using glyconutrients to treat depression obesity and ADHD The more doctors learn about glyconutrients the more excited they become about their long

term fundamental health benefits Now with this new book the breakthroughs in the study of glyconutrients are available to everyone Whether your goal is to prevent disease live longer and better or treat a serious illness that has eluded conventional medicine Sugars That Heal is your essential guide to complete health
