Cracking the Code Thom Hartmann, 2008-09-02 By the bestselling author and XM and Sirius Satellite radio host heard on more than eighty radio stations coast to coast seven days a week Shows progressives how to master the science and technology of persuasive communication and counter the right wing message machine Offers exercises and examples throughout to help readers put the concepts they re learning into practice Millions of working Americans talk act and vote as if their economic interests match those of the megawealthy the multinational corporations and the politicians who do their bidding How did this happen According to Air America radio host Thom Hartmann the apologists of the Right have become masters of the subtle and largely subconscious aspects of political communication It s not an escalation in Iraq it s a surge it s not the inheritance tax it s the death tax it s not drilling for oil it s exploring for energy Conservatives didn t intuit the path to persuasive messaging they learned these techniques There is no reason why progressives can t learn them too In *Cracking the Code* Hartmann shows you how Drawing on his background as a psychotherapist and advertising executive as well as a national radio host he breaks down the science and technology of effective communication so you can apply it to your own efforts to counter right wing disinformation It s both an art and a science as Hartmann explains political persuasion is as much about biology as ideology about knowing how the brain processes information and how that influences the way people perceive messages make decisions and form a worldview Throughout the book Hartmann shows you precisely how to master this technology providing examples dating back to the time of the Founding Fathers As you read deeply in this book you ll see things you hadn t realized were there in everything from advertising to political rants and discover abilities you didn t know you had Whether you re a politician an activist a volunteer or a concerned citizen you ll develop a strong sense for how to reach into that part of the collective human psyche where we truly do have the power to create a new world

Inner Peace, Outer Success Nebo D. Lukovich, 2017-12-03 Are you ready to make some permanent changes within yourself and your external world Do you believe it s possible to free yourself from suffering or at a minimum significantly increase your overall happiness Are you ready to heal yourself and others Can you imagine fulfilling your dreams in reality How about transcending your own reactive mind in order to achieve final liberation All of this is possible but requires your determined effort You won t find empty promises in this book only practical guidance You alone are responsible for your life and you alone must do the personal self work in order to attain these goals We will give you the tools are you ready to take them At the beginning of this revolutionary book you will find several quick and easy mind techniques designed to bring immediate results Good for initial practice this section is a great starting point for the casual user warming you up for the deeper work to come We then delve into more complex methods

which teach you how to achieve profound and lasting transformation You will get acquainted with a new approach to meditation and mindfulness learn safe ways for deep healing of both yourself and others and explore comprehensive exercises with real life examples for attaining goals Whether you are looking to untie your most rigid problems are striving for long term physical and mental peace or are simply looking to accomplish your biggest aspirations you may be surprised at the kind of results you are capable of You probably won't find methods like this anywhere else as many of them are 100% brand new However all of them rely on several well known spiritual and scientific viewpoints For example one of these principles is that our external world is but a mirror of our inner being which leads us to a very practical attitude everyone is completely responsible for their own life Another viewpoint widely used in contemporary psychological methodologies is that all apparently negative inner structures have a genuinely positive origin and purpose Therefore we must not fight any perceived negativity within us we should face it accept it transform it and re-integrate it These and other basic postulates are effectively employed in all methods and approaches presented in the book Again you will have to put in some effort Progress can't come into your life on its own You can learn and grow using these techniques to remove or transform mind content without any risk of forgetting valuable life lessons or loss of maturity from your past You will be able to control all your thoughts emotions sensations traumas goals sometimes even illnesses pointing them in the direction of success and personal growth This robust and multifaceted tool called the Reintegration System will give you a straightforward step by step opportunity to do so The main strength of the system is that it covers almost all areas of personal development spiritual growth meditation problem solving healing interpersonal relations comprehensive personality integration goal completion however you decide to use it All approaches are mutually complementary ready to work together to help get you where you want to be Join us on this new journey of personal transformation and spiritual development and start feeling better NOW
