James to crown all said he had no doubt that his friends the Directors of the Peninsular and Oriental Company would make Mr Titmarsh the present of a berth for the voyage all objections ceased on his part to break his outstanding engagements to write letters to his amazed family stating that they were not to expect him at dinner on Saturday fortnight as he would be at Jerusalem on that day to purchase eighteen shirts and lay in a sea stock of Russia ducks was the work of four and twenty hours and on the 22nd of August the Lady Mary Wood was sailing from Southampton with the subject of the present memoir quite astonished to find himself one of the passengers on board These important statements are made partly to convince some incredulous friends who insist still that the writer never went abroad at all and wrote the following pages out of pure fancy in retirement at Putney but mainly to give him an opportunity of thanking the Directors of the Company in question for a delightful excursion It was one so easy so charming and I think profitable it leaves such a store of pleasant recollections for after days and creates so many new sources of interest a newspaper letter from Beyrout or Malta or Algiers has twice the interest now that it had formerly that I can t but recommend all persons who have time and means to make a similar journey vacation idlers to extend their travels and pursue it above all young well educated men entering life to take this course we will say after that at college and having their book learning fresh in their minds see the living people and their cities and the actual aspect of Nature along the famous shores of the Mediterranean
