Your membership helps us build and maintain trails in the Rutland, Vermont region. Pine Hill Partnership currently maintains trails in three adjacent systems: Pine Hill Park, the Carriage Trail, and the Redfield Trails. We are a volunteer organization dedicated to envisioning, building, maintaining, and promoting a non-motorized, multi-use, community trail network. We believe that it is important to build and preserve these trail systems so that the residents of the Rutland area have long term access to healthy outdoor activities and adventures.
